**NOTE-1:** The Office for Civil Rights (OCR), U.S. Department of Education (ED), is responsible for compiling and posting on the Internet, the annual U.S. Department of Education Accredited Minority Postsecondary Education listing, which is based on the National Center for Education Statistics (NCES) Integrated Postsecondary Education Data System (IPEDS) data. OCR is not directly involved in the award of ED grants or other Federal grants to education agencies. Nor does OCR maintain information about grant decisions made by other Federal offices or departments.

**NOTE-2:** Data is reported to OCR/ED by responding institutions in the Fall 2002 IPEDS Enrollment Compliance Report preliminary file submitted to both OCR and NCES in the U.S. Department of Education. Percentage minority students are derived from reported total student enrollment (IPEDS line 29), whereas percentage Hispanic students are derived from reported total full-time undergraduate enrollment (IPEDS line 8).

Historically Black Colleges and Universities are described in Title III of the Higher Education Act of 1965, as amended. 20 U.S.C. §1061.

Using the IPEDS Fall Enrollment data from NCES, OCR compiles the U.S. Accredited Postsecondary Minority Institutions listings pursuant to the Higher Education Act. See 20 U.S.C. §1067k(3). For purposes of these listings, a minority postsecondary institution is defined as an institution "whose enrollment of a single minority or a combination of minorities... exceeds 50 percent of total enrollment." 20 U.S.C. §1067k(3). See also 20 U.S.C. §1131(b)(1)(B) and 29 U.S.C. §718(b)(5)(B). A Hispanic serving institution is defined as an institution whose enrollment of Hispanic students reaches, or exceeds, 25% of full time equivalent undergraduate enrollment. 20 U.S.C. §1101a(a)(5). There may be grant programs that require additional information that the Federal government does not collect or have available in any of its information or data programs regarding students.

The designation of Tribal Colleges and Universities is covered under several Federal statutes; for example, the Tribally Controlled College or University Assistance Act (25 U.S.C. §1801 et. seq.) covers 25 postsecondary institutions where funding is provided by the U.S. Department of the Interior to those institutions where 50% or more of student enrollment is American Indian.

**NOTE-3:** An Alaska Native-serving institution is defined as an institution of higher education that (A) is an eligible institution under 20 U.S.C. §1058(b); and (B) at the time of application, has an enrollment of undergraduate students that is at least 20% Alaska Native students. 20 U.S.C. §1059d(b)(2). A Native Hawaiian-serving institution is defined as an institution of higher education that (A) is an eligible institution under 20 U.S.C. §1058(b); and (B) at the time of application, has an enrollment of undergraduate students that is at least 10% Native Hawaiian students. 20 U.S.C. §1059d(b)(4).

At this time, racial and ethnic information collected from postsecondary institutions in the IPEDS Fall Enrollment Compliance Report by NCES, in collaboration with OCR, use the five basic racial and ethnic categories for Federal statistics and administrative reports. Those categories are American Indian or Alaskan Native, Asian or Pacific Islander, Black (not of Hispanic origin), Hispanic, and White (not of Hispanic origin). These categories do not disaggregate data for American Indian or Alaskan Native, or Asian or Pacific Islander. However, the University of Alaska system, responsible in Alaska for reporting IPEDS information to NCES for public postsecondary institutions, does separately collect and report data on enrollments of Alaskan Native students. Therefore, we are able to list the percentage of Alaskan Native students attending postsecondary institutions in Alaska that report to the IPEDS Fall Enrollment Compliance Report. Similarly, postsecondary institutions in Hawaii separately collect data on enrollments of Native Hawaiian and part-Hawaiian students attending postsecondary institutions in Hawaii. Therefore, we are also able to list the percentage of Native Hawaiian students attending postsecondary institutions in Hawaii that report to the IPEDS Fall Enrollment Compliance Report.

**NOTE-4:** The Department of Education is currently determining how it will implement the October 1997 OMB revised standards for racial and ethnic reporting. It is anticipated that the Department of Education's implementation date for the 1997 OMB revised standards will be Fall 2004.
